BREAKING GROUND FOR BIG EXPOSITION

San Diego, Cal., April 21.—The date for the ground breaking ceremonies of the Panama-California exposition is July 19-22. Elaborate preparations are in progress for this event, which will occupy four days. The exhibition will include historical features covering the period from the discovery of the Pacific ocean by Vasco Nunez de Balboa in 1513 to the founding of the California missions in 1769 by Father Junipero Serra of the order of St. Francis. This history will be presented in gorgeous pageantry and floats illustrating the chief episodes of that history. Especially notable will be the procession of the 21 missions of California, each mission presenting its history in appropriately costumed characters depicting the historical phases of its foundation—medieval, religious and architectural.

The civic ceremonies with which the celebration will begin will be under the direction of the exposition officials and will include participation by the governor of California, state officials, municipal officers and representatives of the national government. The cornerstone of the administration building will be laid on this occasion, occupying the first day.

Commemoration of the founding of the mission of San Diego de Alcala, a pontifical high mass will be celebrated by Bishop Conaty of the diocese of Los Angeles and Monterey on the 42nd anniversary week of the planting of the cross on California soil by Father Serra. This ceremony will be under the direction of the Franciscans and will be held before a great floral altar in one of the canyons of Balboa park.

Throughout the celebration the carnival spirit will prevail and each day will be a fiesta of mirth, music and dancing expressive of the condition of a happy and contented people.

New Elks' Home in Tucumcari.

Contractors Horne Brothers this week broke dirt on the excavations for the new Elks' home on East Main.

The work will be pushed now to completion and within three months Tucumcari will have another very pretty building and the Elks a home of which they may well be proud—Tucumcari News.
